Small but absolutely delicious.

## What is Canapés ?

Canapés are also a popular choice for events where guests are expected to mingle and socialize, as they are easy to eat while standing and do not require a table or utensils.

### Creative Presentation

Canapés are small, elegant hors d'oeuvres that make an impressive and memorable addition to any corporate event with their creative and beautiful presentation.

### More Variety

With a Canapés menu, you can offer your guests a wider range of bite-sized delicacies, including both hot and cold items, than you would with a traditional buffet menu.
